Bill 10 – Car Sharing Letter of Support

Chair Kobayashi and Esteemed Members of the Budget Committee,
Hawaii Bicycling League supports Bill 10, Relating to Car Sharing. This bill will allow for the establishment of a pilot car sharing program.

The Hawaii Bicycling League's mission is to get more people to ride bicycles for health, recreation, and transportation through advocacy, education, and events.

The Hawaii Bicycling League recognizes that car sharing programs play an important role in creating a multimodal transportation system that reduces dependence on the private automobile. Car sharing programs have been shown to reduce vehicle ownership, and get more people bicycling, walking and on transit.

Please support passage of Bill 10.

If you have any questions or would be like to discuss the above further please contact me at 808-735-5756 chad@hbl.org or Daniel Alexander 808-275-6717 daniel@hbl.org.
